## OF IMPORTANCE TO BIDDERS

This sale will be conducted under the following terms and conditions.

**Terms:**—This sale is for cash: 25 per cent will be forfeited as an agreed payment of damages. This does not apply to any purchaser who wants to buy stock on different days of the sale, and makes a deposit with the cashier to show his good faith.

**Who to Pay:**—Pay the cashier in all cases. In no case must any part of the purchase be paid direct to the consignor by the purchaser, as such payments will not be valid or entitle the buyer to obtain stock. On final payment for an animal the cashier will issue an order which should be presented by the buyer to the stable manager for the delivery of stock. Buyers assume all expenses on animals incurred after they are struck down. Animals will be loaded on cars free; feed will be charged for at actual cost.

**Warrants:**—Ages, height, marks and other matters of character are approximated by the consignor and are not guaranteed unless expressly so announced from the auctioneer's stand. The consignor is the responsible party for all representations, which we in no way guarantee but will endeavor to have them correct. In case typographical or other errors are discovered, the auctioneer will announce them, and the clerk will make a memorandum of such corrections, which takes precedence over the printed matter in this catalog.

Buyers are, therefore, cautioned to pay attention to the auctioneer's announcements.

**Challenges:**—If warranty or representation is challenged, the matter must be reported to the managers, who shall have the sole right of appointing who is to make examination in order to determine whether the animal fulfills the conditions or warranty, and the decision of the Referee so appointed, and no other, shall be binding on the consignor and the bidder, and it is agreed that no legal liability shall be incurred by us from either party in consequence of such decision. All warranties must be tested and decided before delivery of the animal is made; the buyer assumes full ownership with all risks and no statement or warranty of seller can afterward be challenged through me.

The Sales Manager is not responsible for any errors, mistakes, guarantees, or omissions in the engagements, pedigrees or other matter published in this catalog. The consignor is responsible for all such statements.

**Bids:**—The highest bidder to be the buyer, and if any dispute arises between two or more bidders, the animal in dispute shall immediately be put up again for advance bids. If there be no advance then the animal shall go to the person from whom the auctioneer recognizes the last bid. We act as agents only, and endeavor to protect the interests of both seller and buyer.

**Special Notice:**—Purchasers are urgently requested for their own protection to comply strictly with the foregoing, but should they fail to take advantage of the conditions, adopted mainly for their protection, they waive all recourse thereafter.

All buyers must provide themselves with currency or bank exchange. Personal checks cannot be accepted unless purchaser is willing to pay fifty cents for telegram to bank upon which check is drawn.

FRANK S. KIRK, Sales Manager.

Village Marshall, a Grand Champion at two state fairs and a sire of high priced prize winning cattle. His sire, Cumberland Marshall, is one of the great sires of the breed. He combines the blood of the two International Grand Champions, King Cumberland and Whitehall Marshall. The dam of Village Marshall produced the 1919 American Royal Grand Champion, Marshall Joffre. Royal Diadem was used with splendid results by the well known breeder, T. J. Dawe. His grandsire, Bapton Diamond, sold for \$6000 and, considering his short life, was one of the best sires ever imported. His dam was the \$5000 Grand Champion, Imp. Bapton Pearl that produced America's greatest sire, Whitehall Sultan. Silver Plate was among the best sires ever imported. His calves were first in class for get of sire at the International, 1902. His daughter, Village Belle 2d, was Grand Champion at the American Royal and International both in 1902 and 1903.

Fred Abildgaard of Winfield, Kansas consigns two bulls and one heifer all sired by the good Scotch bull Villager Magnet. This consignment will fully demonstrate that big, broad-backed, thick, mellow-fleshed, and easy feeding cattle can be produced on so-called plain pedigrees. The three in this consignment have been grown under common farm conditions, they were not given the benefit of a nurse cow and only permitted to have a part of their mother's milk as their mothers also provided milk and butter for the family table. The cows in this herd were selected for their milking qualities and, while they are all splendid milk cows, the five head in the sale and three others in the show, will convince any one, that it is not necessary to have Scotch pedigrees to grow good cattle. We doubt if any herd in the entire country can show eight better calves all sired by one bull and grown under the same conditions.

This is remarkable pedigree, in that every breeder both of sires and dams is a man of international reputation, excepting Mr. Abildgaard and A. A. Tennyson. Both these men are among the best and most careful breeders in Kansas and anything coming from their herds is worthy of acceptance without question. Any one should be able to enthuse over such an array of breeders.

Red bull calf at foot, December 2, by Marshall's Crown.

### CUMBERLAND GIFT

First prize aged bull and Grand Champion at Iowa, Minnesota, South Dakota State Fairs and Inter-State, Sioux City, Iowa; also at the American Royal at Kansas City. His first calf, Marshall Joffre, was junior and Grand Champion at the American Royal in 1920, being defeated only by his sire. Cumberland Gift is by many considered the best bred Grand Champion that has made the show circuit in recent years. His sire, Cumberland Repeater, combines the blood of the International champion, and the International Grand Champion Whitehall Marshall, the greatest prize winning son of Whitehall Sultan. Cumberland Marshall was sired by King Cumberland, and his dam by Whitehall Marshall, both International Grand Champions.

Judged by the outstanding merit and value of the bulls in this pedigree it would be difficult to find any fault with it. The fact that Homewood Missie comes from the best of the McDermott herd and is in calf to a good son of Rosewood Dale should make her an attraction. Homewood Missie is a blood sister to the 1920 Grand Champion, Cumberland Gift, both sired by Cumberland Repeater and the dams of both by Cumberland Marshal.

Bred June 18, 1920 to Dale Rosewood by Rosewood Dale.

Bapton Pearl, dam of Whitehall Sultan, both being sired by Count Lavender. Strowan, bred by C. H. G. Stirling was such a splendid sire of females in the Geo. Anderson herd that Mr. Duthie paid a large price for him as an aged bull. Many of the high priced Duthie cattle have been out of his daughters. First Fiddle was a famous champion show bull by First Choice. He sired the dam of Choice Goods, champion of four shows in Great Britain and undefeated in America in 1902 and 1904.

## A FEW NOTES ON THE BREEDING OF IMP. PRINCE PRUDENT.

King of Diamonds, chief herd bull in the herd of Earl of Crawford, Balaclava, Scotland. King of Diamonds was undefeated Supreme Shorthorn Champion every place shown in 1920. His calves have been consistent winners at Perth. They have drawn so much attention that his sons are now being used by Lord Northbrook, Wm. Douglas, Wm. Gordan, and others, and one of his imported calves was Grand Champion at the Ozark Stock Show.

Windsor Lad, bred by the King of England, was a great show bull and sired many champions in the herd of Walter M. Scott. Among his most noted calves sold in the United States is the \$20000 Robert Bruce owned by W. C. Rosenberger & Sons, Tiffin, Ohio.

The dam of King of Diamonds was by the undefeated eleven times champion, Diamond Star, chief herd bull used for ten years by Wm. Anderson and considered the greatest Shorthorn sire of the past decade in Scotland. He was by Royal Edward, dam by Bapton Diamond, a wonderful sire of prize winners in both Scotland and the United States.

Macebearer, a great show calf, sold for \$9000 in Argentine, left only a few calves in Scotland, one of them Economist, a most famous sire of high priced prize winners in the herd of John Gordan. He sired the \$10000 Cullissee Band Sargent, now owned by Frank Scofield. Macebearer was sired by Cupbearer of Collynie, the most popular sire in Scotland at this time. He was bred by Duthie and sold to Mrs. Stewart for \$10500 as a calf in 1912. Every show season brings out new champions sired by him. His son, Millhills Comet, was Supreme Champion at the 1920 Perth Show and sold for \$34650. He sired Scotie 1st. prize winner at Perth sold to Anoka Farms owned by F. W. Harding.

Captain of the Mint was a most famous sire. One of his sons, President of the Mint, was the best sire used by Lady Gordan Cathcart. He was her chief stock bull for ten years. In 1918 five of his bull calves averaged \$8260.

Golden Gift was a noted sire of high priced breeding and show cattle including Golden Arrow, champion at Perth in 1903 and sold for the highest price then recorded. He also sired the dam of Lady Bountiful, Supreme Champion female of Scotland in 1919. Lady Bountiful was of the Beauty family, the same as Prince President.

We ask you to give your most careful attention to the pedigree of Prince Prudent. Every cross in his pedigree sparkles with the blood of a champion and every bull named in his pedigree has been a sire of champions. Prince Prudent has been grown without a nurse cow, he has never been crowded or over-fed and will be sold in good breeding condition but not fat. He is a real herd bull prospect, just what you might expect from such a pedigree.

### MATCHLESS DALE, BY AVONDALE

The dam of Minnie Dale raised some of these steers and her sire Golden Day was one of the best of western bulls.
